Board Meeting – ZOOM ONLINE

Meeting ID: 862-2585-4125 Password: 026508 Thursday, May 28, 2020 6:00 p.m.

Opening of Meeting: Chris Feil, President

Approve Agenda: Additions or alterations

Approval of Minutes

Citizens' Appearance:

Board Training – Walk through of library procedural changes

Treasurer's Report: Duane Fournier -

• P& L Expenses

May bills

Circulation Report: Duane Fournier

Correspondence/Communications:

Gilbert Update

New Business:

- o Budget 2020-2021 & meeting with City
- o Summer Reading program update
- Upgrade staff computers (Kolleen's, Denise, Circulation desk)

Old Business:

- Reopening
- Adjournment

Reminder

• Next meeting: June 25, 6 p.m.

May 2020 Staff Report

Submitted by Assistant Director Denise Froehlich

We resumed patron checkout via lobby delivery on May 4. We had a high volume of returns the first week or so of May, but has now slowed to a steady pace. Patrons are taking full advantage of our online catalog and placing holds through their accounts; an additional number of patrons are happy to call to place holds. We're allowing patrons to pick holds up in the entry way between 12 and 4 pm Monday through Friday. Filling hold requests, getting patrons called and keeping up with the shelving has kept staff very busy in the mornings and into early afternoon. Patrons have been very happy to have any type of access to books and DVDs and many have asked when they can come back into the building to browse for themselves.

We offered the option of getting a digital card during the COVID-19 lockdown, to allow new patrons access only to our online resources (BRIDGES, GALE databases, BrainFuse, etc.) A digital card does not give a patron physical materials check-out privileges. We have had nine patrons submit digital card applications. They have the option of converting to a full access card when the library reopens.

For COVID-19 safety precautions, we have added four sneeze guards to the main Circulation Desk. Our public computers have been separated to allow for proper social distancing. We have four public computers available in the main library and one in the Annex. Two of the computers are in our side study rooms, one is near the copier and one is in the carrels in the middle of the library.

Other COVID-19 safety precautions we've taken include rearranging our displays near the Circulation Desk, moving everything away to allow 6 feet of social distancing, and taping yellow Xs on the floor indicating how close patrons may stand to each other. All puzzles, games, toys and puppets have been removed from the Children's area. The magazines and newspapers have been temporarily relocated to the staff work room; they are still available for check-out and in-house use. The relocation will allow staff to sanitize and quarantine items after use.

We've added notices throughout the library requesting that patrons do not replace any items they pull from the shelf to browse back on the shelf if they choose not to check it out. Instead, we are asking that patrons place items into bins or on carts located around the library. Again, this will allow staff to sanitize and quarantine any items touched.

We are currently in Phase II of our phased reopening plan; we have no more than 3 staff in the library at a time. Staff are still working a limited schedule, in the building from 9 am to 5 pm, with no weekends or evenings. We have managed to clean up a lot of public and work spaces and feel ready to open by appointment (Phase III) as soon as we receive clearance from City Hall. It is our hope to have additional staff return in some capacity in July, as we move into Phase IV of the reopening plan.

Kolleen returned to work briefly for a week at the end of April, before going on medical leave following her toe surgery. She has just returned to work this week (May 26) on a very limited basis. However,

during her stay at home, she was in frequent communication with the staff and kept us notified of developments regarding reopening the library.

For Summer Reading, we've spent a lot of time considering the options. Based on feedback from students and parents, we've decided not to try doing an online system or app for the summer (students are burned out after doing online schooling since spring break). Instead, we're putting together incentive bags with a paper reading log for our 2-12 year-olds. Participants will receive their incentive bag and reading log up front and return completed logs for entries into a grand prize drawing. We'll do a similar challenge for tweens, teens and adults, minus the incentive bags but still offering a grand prize drawing. The goal here was to offer some type of reading challenge and incentive, but limit contact with participants. We've also suspended in-person summer programming at least until August. Maria will continue with the Zoom storytime on Fridays at 10:30 and Kolleen plans to keep doing the same with the Bartlett Book Club.

Bertha Bartlett Public Library Board Meeting

Thursday, April 30th, 2020 6:00pm Meeting held via Zoom

Present: Chris Feil, Lynn Cummings, Matt Emerson, Duane Fournier, City Representative Mary Kay Soberg, Jessica Hensch (Secretary) and Kolleen Taylor (Director).

Called to Order: 6:08p

Changes to and approval of the Agenda:

None

Approval of Minutes:

Motion to approve the March 2020 minutes by Fournier, seconded by Cummings, approved unanimously.

Citizen's Appearance: Mary Kay – Nothing today

Board Training – Webinar Link where Taylor presented has been provided to Trustees

Trustees reviewed Taylor's information individually.

Treasurer's Report

P and L:

Story City: Budget is off and it is difficult to project what is happening until we are back at regular operating times.

April Bills:

\$663 HVAC maintenance fee. Carpet Cleaning was approved last month.

\$495 Tech fee for moving internet over to the annex.

Fournier motions to approve March 2020 bills, Emerson seconds. Approved unanimously.

Circulation:

Taylor reports that the circulation amount doesn't look as badly as we would expect. March is still doing good. 4000 items were checked out in March.

Correspondence/Communications:

Fran has had some medical complications. Our thoughts are always with her and we hope for her comfort and healing.

Taylor reports kind emails and cards for the services the library was able to provide in the last month or so. There have also been some donations and memorials from families in the community.

Gilbert Update -

Feil proposes to Teri that we drop our budget amount for the Gilbert site back to the amount from the previous year. Teri reports she thinks that would be great. She will discuss with the Gilbert city council later this week. The amount would be dropped back \$4000. Teri reports that everyone will be very appreciative of the reduction.

Taylor reports that she will need to bill some of the staff hours from Gilbert to Story City to make this happen.

Teri asks if book donations are still being accepted in Gilbert. Taylor reports that it would be better if the donations were brought to Story City, instead, as they can be better circulated/sold from that site. Taylor reports that incoming donations are catalogued to ensure they are "assigned" to that site.

New Business

Budget 2020-2021/City Meeting:

Worried there would be a shortfall for the next year due to the motel/hotel tax would go way down, as well as contributions from the county would be down from last year. The City is trying to shave each piece of the budget for the next year. He suggests taking money out of the trust for the book buying part of the budget. The consensus is that the City would like to have us come up with \$12,000 to give up from the budget. Fournier reports that we can come up with some funds that the trust can handle to make up the City shortfall.

May need to cut back a bit on the Gilbert budget amount. Will discuss this with Teri, since services have been reduced due to the pandemic. Fournier reports that he'd be okay with going back to last year's budget to provide some relief to the City of Gilbert.

Reopening Plans, Current Procedure, Future:

Taylor provides a complete plan for reopening to the trustees and explains each "phase". Motion to begin "Phase 2" of the reopening plan in Story City and Gilbert by Fournier and seconded by Hensch. Approved unanimously.

Summer Reading Program Situation:

Discussion regarding possible virtual summer reading program? Taylor will look in to this further.

People were all ready scheduled to come in to perform for programs. Could we stream their performance? Or do their performance outdoors? Would we be able to send out prizes for the reading program?

Amnesty Period After Reopening for Items "Lost" or "Long Overdue"?:

Fines have been forgiven for any fines from March 16th onward. People should start from scratch, unless the items have been lost. Maybe for the next 30-60 days?

Motion to temporarily suspend fines for the next 60 days by Hensch, seconded by Emerson, approved unanimously.

Reopening Process – (See Proposed) – Sneeze Guards/Other Purchases:

Taylor reports that she has purchased a sneeze guard and it's been assembled, with Fournier's help. Taylor says two more will need to be purchased for Story City and one more for Gilbert.

Consider Purchasing "Hoopla" Temporarily for Public to Access (pricing attached):

Some libraries have busted their budgets since you pay per item. Up to \$4 each. This is not the system BBPL will use at this moment. Taylor will purchase these items.

Upgrades to Staff Computers (Kolleen, Denise, Circulation Desk):

Computers are starting to freeze up. The computers are 8-9 years old. Computers should probably be purchased before they completely crash. Taylor reports that she has done everything she knows to do to clean them up. Stratford Telephone came in and offered to wire up the building to be able to switch to them from Aureon, whenever that may be. Fourier reports that when the budget is done, they will look at this expense.

Old Business

Annex – Foundation Director Online Resource Grants:

There is an online resource for getting grants, possibly to help with the annex addition.

Taylor Medical:

Taylor reports that she is having a procedure and will be out from the library for two weeks. Feil asks that Denise has numbers for the Trustees in case she needs anything.

Adjournment:

Motion to adjourn by Fournier seconded by Hensch – Approved unanimously 7:12p

Next Meeting:

May 28th at 6pm – Maybe at the library, depending on social distancing guidelines.
