Staff Report

April 2021

The library is starting to feel a bit like normal, with adding back most of our regular hours. We have a bit of a staffing shortage right now, and I have interviewed one of the applicants we had on file from Gilbert who is able to give Maria some backup and relief. She interviewed and tested well. I'm starting to look for another person to back us up and cover Monday nights in Story City. This becomes a bigger issue soon, as Caitlin needs surgery soon, and everyone is working as many hours as they want....and a few more than they really want.

The staff also asked us to talk about our current hours, reflecting on how the library has been used prepandemic, and adjusting our regular permanent hours to be in line with use. This is a policy so the board needs to review and discuss. The following is the suggestion from them:

- 10 am to 7 pm Monday-Thursday
- 10 am to 5 pm Friday
- 10 am to 3 pm Saturday
- We are not opening on Sunday at all at until fall.

Many libraries are reducing their hours somewhat, especially in the metro area. The West Des Moines library is going to be open M-Th 9-7, F-S 10-2 and closed Sunday. So we are in line with this request with a significantly larger library.

The Gilbert library has also experienced some changes in usage. They have picked up usage during the period after lunch during the week, and also experiencing a lag in evening hours. They would like to adjust their hours permanently

- 1 pm to 6 p.m. Tuesdays and Thursdays
- 10 a.m. to 2 pm Wednesdays
- 10 a.m. to noon Saturdays, (1 p.m. closing in summer)

The board meeting this month is the earliest it can be and still be the 4th week...so that means several bills have not arrived yet. I will send out a final list for the month to all board members after the meeting.

I'm hoping to take off a week or 10 days in early May for some vacation time in the deep south. Most critical issues can be addressed by Denise.

Annex Committee has met via Zoom with two Architects: Chris and I agreed the best ones were Novak and Martin/Gardner. The committee is reviewing some details which have been sent to them and we hope to have a recommendation by May 1. I would love to see a special meeting held just to discuss this if at all possible, otherwise we will need to discuss at the May 27 meeting.

We need to be thinking and talking about wages for the new fiscal year in the next two months and may want to review the matrix at the next meeting.

Board Meeting 3/25/21

Library Board convenes at 6:04 PM with Director Taylor, Feil, Emerson, Cummings, Fournier and City Council Member Solberg in attendance.

Additions and or Adjustments to Agenda: None.

<u>Approval of previous meetings minutes:</u> Correction: Programming is being documented differently for programming. Motion to approve the amended minutes made by Fournier seconded by Cummings. Motion is approved unanimously.

Citizens Appearance: None.

Board Training: Iowa Learns LMS Website review

Treasurer's Report:

P and L:

Story City: 47% of budget remaining, somewhat underspent. Hopefully be able to spend more on programming.

Gilbert: Gilbert has done a great job, is right on target for spending. 42.9%

March Bills: New furnace: \$2575.00. Telephone is again over \$400 and we will again go over budget for this item again this year.

Motion to approve the bills by Fournier, seconded by Cummings. Motion passes unanimously.

Fournier is recommending a change to the Library's Charter that will allow us to combine utility bills with the City for garbage and gas collection. This change is required because the Board of Trustees currently need to review the bills before being paid. A charter change requires a public notice and two consecutive meetings in consideration of the matter.

<u>Circulation Report:</u> Story City's numbers are down significantly from last year. Gilbert is better than last year.

<u>Correspondence / Communications:</u> WHOFI from the State of Iowa Library inquiry about the effectiveness of the reports they are providing. Anonymous Valentine's notes.

<u>Gilbert Update:</u> Eliminating the Gilbert Library as a staging area for the Summer Reading Program. Things are busy. Library is being used more than it ever has been.

New Business:

USCellular offers WIFI hotspots for checkout for patrons. Tabled to next meeting.

- Future hours and services at the library. Still not up to regular hours. If we
 returned to regular hours with safety protocals we would be able to
 accommodate and serve patrons who are seeking our services. Solberg says
 that we can return to regular library hours. Discussion of Rec Center and
 Fairview Lodge. Cummings asks what would be necessary to return to
 programming and increased occupancy.
- Using annex for programming such as book clubs. Work is needed to move several book shelves. There's some hesitancy to move more over there over concerns that it will need to be moved again for a renovation. Perhaps utilize a pod for storage.

Old Business:

 Feil spoke with Gary from Novak Architects. He passed on ideas from the Steering Committee. He also wanted to hear more from him about their motivation for working with us. Novak wanted to bring in a structural engineer that has an association with the architect. He said Novak wants to keep the general design of the building with our current one and look at maximizing our dollars spent.

Solberg suggests whittling down architectural firm and having the steering committee make a recommendation to the board.

Fournier said he spoke with Chuck Semler former Board member who said that they did a good job but came in a little over budget on some lighting.

Fournier suggested having a final presentation to the steering committee. Fournier, Feil and Taylor will contact steering committee.

Adjournment: Motion to adjourn made by

Next Meeting: April 22

Respectfully submitted, Matt Emerson, acting Secretary Board of Trustees

2021 Summer Reading: "Reading Colors Your World"

Summer Reading 2021 will go forward with some adaptations adopted from last summer's restrictions and some normal practices returning from previous years.

The theme for this year is "Reading Colors Your World" and will have us exploring colors, diversity and celebrating our local 'superheroes'. We have a great line up of special presentations including Brent Allen - hilarious antics, astonishing magic, and some stories told in an unconventional way; Jason Kollum - Juggler, Stilt-Walker & Balloon-Twister; the Blank Park Zoo; Story County Conservation and ISU Extension & Outreach as well as several 'local celebrity' guest readers and some amazing science demonstrations! All programs are free and open to children of all ages and abilities.

Our Summer Reading Program Kick-Off is on Tuesday, June 8th. Summer Reading Program participants are invited to an open house to see some Greyhound dogs, learn about Greyhound adoptions and go on a Color Scavenger Hunt, among other colorful activities. At that time, they can also sign up for one of our three reading challenges: ages 2-12, tween/teen or adult. 'Anytime' activities for the day at both libraries include program sign up/distribution of incentive bags, a Color Scavenger Hunt, coloring pictures/have coloring sheets available for the Color-A-Smile program, coloring sidewalk with chalk, color-themed craft kits & other colorful activities

The 2021 Summer Reading challenge is open from June 1 to August 18. Like last year, we are providing a gift bag to each participant aged 2-12 who registers. This bag contains a printed Reading Log, a Grand Prize list and a variety of reading incentives. Tweens and teens have their own reading challenge that encourages them to read, listen, see and do to earn prizes and entries into grand prize drawings. The adult challenge has not been determined yet, but will likely encourage participants to read a set number of books before collecting a prize.

Summer programming is planned for preschool story time, K-4th grades (KOOL), Tween Team and Bertha B's Teens. Masks will be required for indoor programs and distancing. Storytime and KOOL will have 8 weeks of programming from June 10 to July 30. Tweens and teens will run for 6 weeks from June 8 to July 14. Those programs with special presenters (see 2nd paragraph above) will be held off-site at either the Rec Center or North Park. In Gilbert, the alternate locations from the library are the Gilbert/Franklin Community Room or the Upstill Park Shelter. All other scheduled events will take place in the library, either in the meeting room, the Kinne Wing or the annex as space requires.

We are considering some type of presence at the combined Scandinavian Days/National Carousel Day event in July. Likely we will try to host a story time event in the late morning on July 24, either at the carousel or in the park.
